## Break-in Service

Operator's Manual recommends your oil and filter be changed after the first 8 hours of service. In addition we will also:

- 1 Check safety systems
- 2 Check/tighten hardware
- 3 Check mower deck level
- 4 Check tire pressure

## Home Maintenance Kits

Include 2 quarts of oil, oil filter, spark plug(s), fuel filter, and air filter.

## Delivery and Start up of Mower

Units are cleaned and filled with fuel. Attachments included on purchase order are delivered. Customer receives copy of paperwork. Driver familiarizes customer key areas of owners manual. Driver explains operation of machine, controls, and adjustments. Has customer operate machine. Driver explains warranty and who to contact.

## Travel for Warranty

Unit will either be repaired on site or picked up, repaired at shop, and delivered back for free, on any covered warranty repairs.

Example of charge without plan:

On a 5 year warranty plan you had

1 warranty repair/year:

\$40.00 per trip x 5

That would be \$200.00 of savings!

## Annual Maintenance

An annual maintenance program is a great way to protect your investment and make sure your mower is ready when you are. Operator's Manual recommends that a full service be done every 50 hrs or once a year. Maintenance includes:

- 1 Check and tighten hardware
- 2 Check safety systems
- 3 Change engine oil and filter
- 4 Change spark plug (s)
- 5 Change air filter and precleaner
- 6 Clean engine, battery, and radiator
- 7 Check tire pressure
- 8 Change fuel filter
- 9 Check mower deck level
- 10 Lubricate tractor and mower deck
- 11 Sharpen mower blades
- 12 Check belts and idlers
- 13 Clean top and bottom of deck
- 14 Change transmission oil and filter if required by owners manual

## Priority Service

You will receive first priority on any repairs to keep down time to a minimum.

## Warranty

Transportation charges covered for life of membership. Repairs completed with genuine John Deere parts by skilled techs.

Not a prorated warranty.

All coverage of warranty repairs.

No deductables. Battery is prorated. Tires warranted by tire mfg. Covers defects in material and workmanship. Worn items (blades, belts, etc.) are not covered by warranty.
